ZHEJIANG YUANPU ELECTRIC CO. LTD

COMPANY PROFILE

Yuan Pu Electric Co., Ltd. Zhejiang City, was founded in 1995 is Production and development of home appliances, communications, computers, automobiles, motorcycles, electric Gas lines, wiring connector series pressure sub, plastic parts, plastic parts, Harness and die manufacturing specialists.

The compant has a professional design, development dis, technicians Strength of advanced equipment to produce precison, quality and reliable service Works fine, affordable, and has perfect quality management system. Products sold at home and abroad, well recetved by cstomers trust and praise. Public Secretary growing reputation.

We always take" Quality is life of enterprise, innovation, Cheng Letter to management" philosophy; adhere to the" technology-driven, market-Oriented, customer demand as their responsibility,'the objective' s Guarantee on the same line Quality and lowest price, best price and quality the same principle, wholeheartedly Welcome friends at home and abroad to Visit our companv. to discuss cooperation.

High quality connector supplier

Your encouragement
For us
 The best support
